A screenshot of a login form titled "Login" centered on a solid blue background. The form is a white rectangle containing two input fields: "E-mail address" and "Password". Below the password field is an orange button with the text "LOGIN". At the bottom of the form, there are two lines of text: "New to Spinner? [Register here.](#)" and "Forgot your password? [Reset it here.](#)".

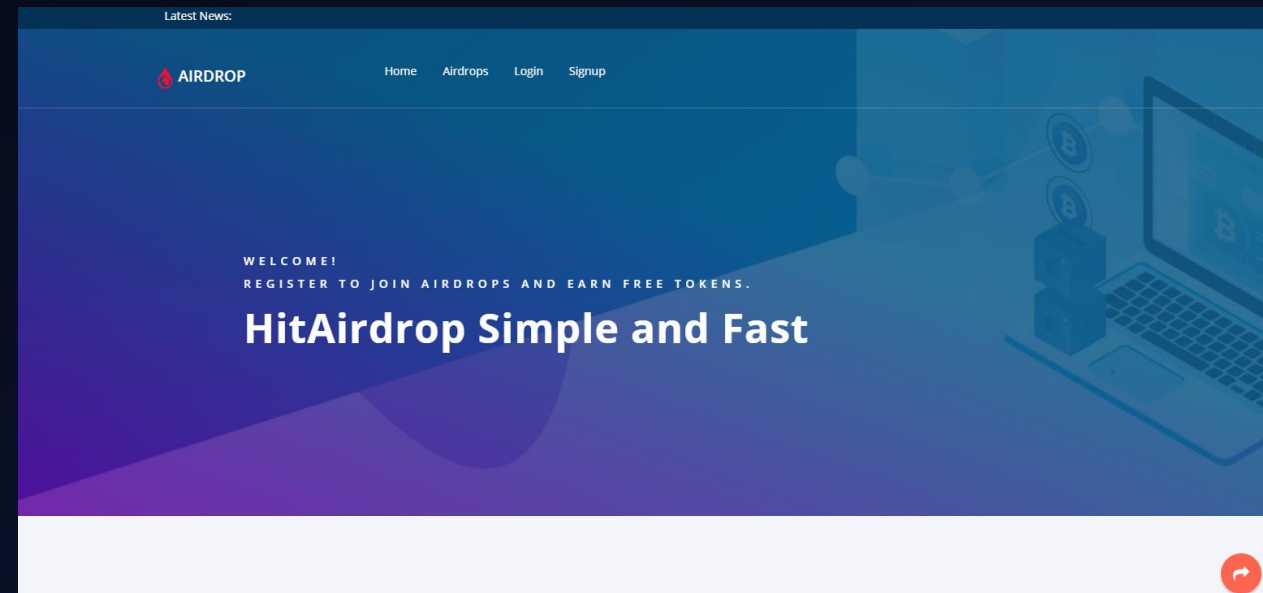

Project 3

- Crypto Trading Bot
- Bitcoin Thief
- <http://bitcointhief.app>
- Based on CakePHP
- Note: You may not be able to access this because it's a paid app but we still support this project and have logged in to screenshot the dashboard for you

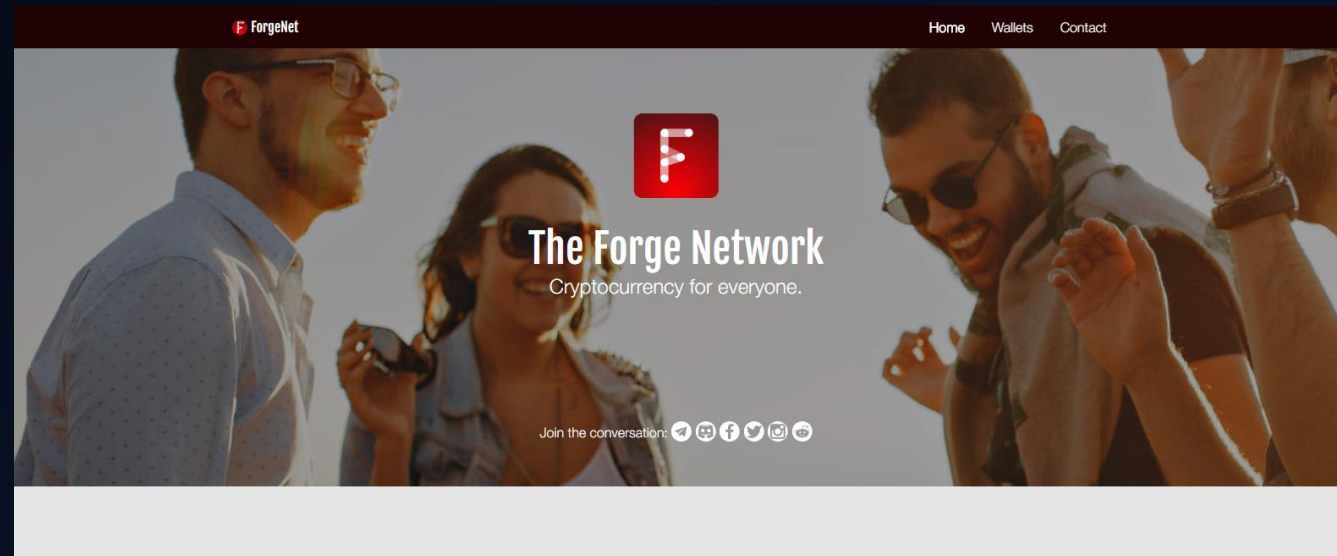

Project 4

- Earn Tokens
- Hit Air Drop
- <http://hitairdrop.org>
- Based on Laravel
- Note: We inherited this project from a previous developer reason been that it was complex for their team.

Project 5

- Crypto Share and Earn
- The Forge Network
- <http://theforgenetwork.com>
- Based On Laravel

The background is a solid dark blue. On the left side, there are several parallel teal lines that form a corner-like shape, extending from the top to the bottom. On the bottom right, there are also several parallel teal lines that form a diagonal shape, extending from the bottom towards the right edge.

Thank You
